Members Appreciation Party, March 15

Our annual [Member Appreciation Party at P.A.W.S.](#) is Sunday March 15 from 4-7p, featuring a Taco Bar (and a cash bar, too). [Pinellas Ale Works Brewery](#) is located at 1962 1st Ave S in St. Petersburg. Please join us!

Members Only: SPBC Bicycle Mural Tour, March 22, 2-4p

We'll tour the Central Arts District to see some recent and old fave murals. Learn about the artists and their work. The tour is approx 7 miles, as we slowly wander the DTSP Arts District around Central. Road bikes, townies, e- bikes are ok, but tandems and cargo bikes are discouraged because the tour includes tight maneuvers and frequent stops.

Meetup at the North Shore Pool at 2p. We'll stop at 3 Daughters at the end of tour.

Space is limited to 20 due to safety issues. Members and one guest please. Sorry, no dogs allowed. Reserve your space TODAY by emailing KrisWoodcock@yahoo.com.

Volunteers Wanted! Also: April SPBC Board Elections

Want to get more involved with the St. Pete Bicycle Club? There are [volunteer opportunities](#) helping out as Club Ambassadors meeting and greeting new members; we are also looking for people with graphic design or IT experience to help out with website design and content creation, too.

The club will also be holding elections for the board on May 2nd. Interested candidates should email their intent to run to President@StPeteBicycleClub.com before April 19.

"Write Your Own Ride"

You might have noticed a few new SPBC emails announcing additional rides from alternate locations on different days and various times.

The *Write Your Own Ride* feature of the SPBC website lets you post a ride with a day/time/starting location that works best for your schedule and riding style. After you've posted a ride, the website will send an email to all club members who have checked New Ride Posted or Weekly Journal in their "My Info" member profile at members.StPeteBicycleClub.com.

Want to [Sign up to be a Ride Leader](#) and *Write Your Own Rides*? Email RideLeadersWanted@StPeteBicycleClub.com to request this feature be added to your website profile.
